Seniors

1966

The great potential for unity accompanied the members of the Class of '66 as we entered Wauconda. Separately concerned at first, we soon found out that our interests were closely related, and we began to take interest in each other. This is our final year at Wauconda, and we recognize ourselves most completely as a class. We will finally experience a last feeling of togetherness during the solemn graduation ceremonies. Our class activities, along with countless personal experiences, shaped our four years together.

Class Officers

Features

In those special moments when we come together to cheer, to laugh, to watch, we all discover our school. In a stream of colored lights for Prom, or a burst of enthusiasm during a game, familiar places are transformed; well know faces seem foreign, buried in stage makeup on distorted in concentration. Joining together in the excitement of the moment each reacts in his own way to different events.

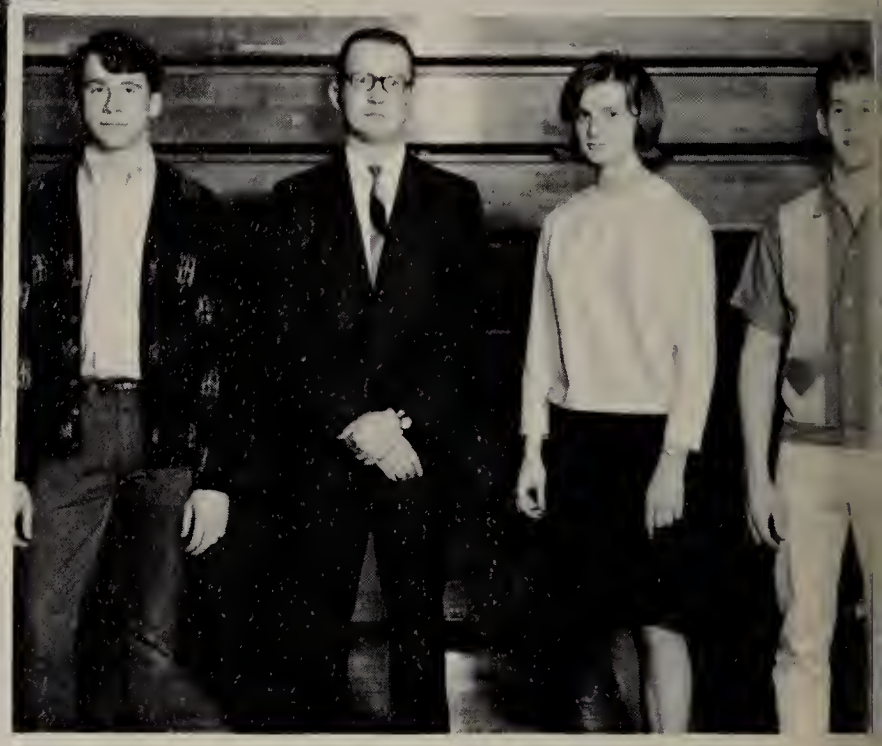
Organizations

The experience of belonging takes on different meanings. We investigate our interests. We offer part of ourselves to our activities, in turn the organizations increase our versatility and strengthen our character. Our interests deepen. Little by little we gain a feeling of identity within the school and within ourselves.

Business Staff Annual Staff

Kathy O'Brian, Allan Fogo. C. Dingler, Patti Petterson, Rani Franci.

Officers



Chuck Burton, Mr. Birky, Sponsor, Kathy Conrad, Business Mgr., Roger Christiansen.

Layout Staff

Marylou Houck, Rani Franci, Connie Beran, co-editors, Karen Adelman, Editor. Roger Stienback, Ann Bauer, co-editors, Mrs. J. Christensen.

Hundreds of pictures littered the annual staff's table, as we started drafting the accompanying write-ups, selecting the candids, and composing the cover's makeup. As the sections were finished by a group of efficient co-editors the editor and Mrs. Christensen double checked all the pages. These people plus many more are responsible for the yearbook of 1966.

I would like to thank the annual staff for a job well done, and personally thank Mama C. for all her guiding help and above all her undying patience.

Student Council

The Student Council forms an important link between students and administration. Through this organization, the students are given a voice in the resolution of their own problems. The Student Council is composed of two members elected by each class, four officers elected by the student body, and six members selected at large.

Under the direction of Mr. Reid, the Council engages in many activities. Among the most important of these are the Homecoming festivities. These include the stunt show, car caravan, and bon fire on Friday, and the parade, game and dance on Saturday. Other Student Council functions are the sale of popcorn at football games, the sale of portfolios, and the operation of a paper machine. Proceeds from such activities as these enabled the Student Council to sponsor two assemblies this year. These were: "Cobelle the Magician" and "Victor Onstad", a chalk talk.

Council meetings held on conference and state levels encourage the exchange of ideas between schools.

This organization benefits not only those actively engaged in its functions, but the entire school which it serves.

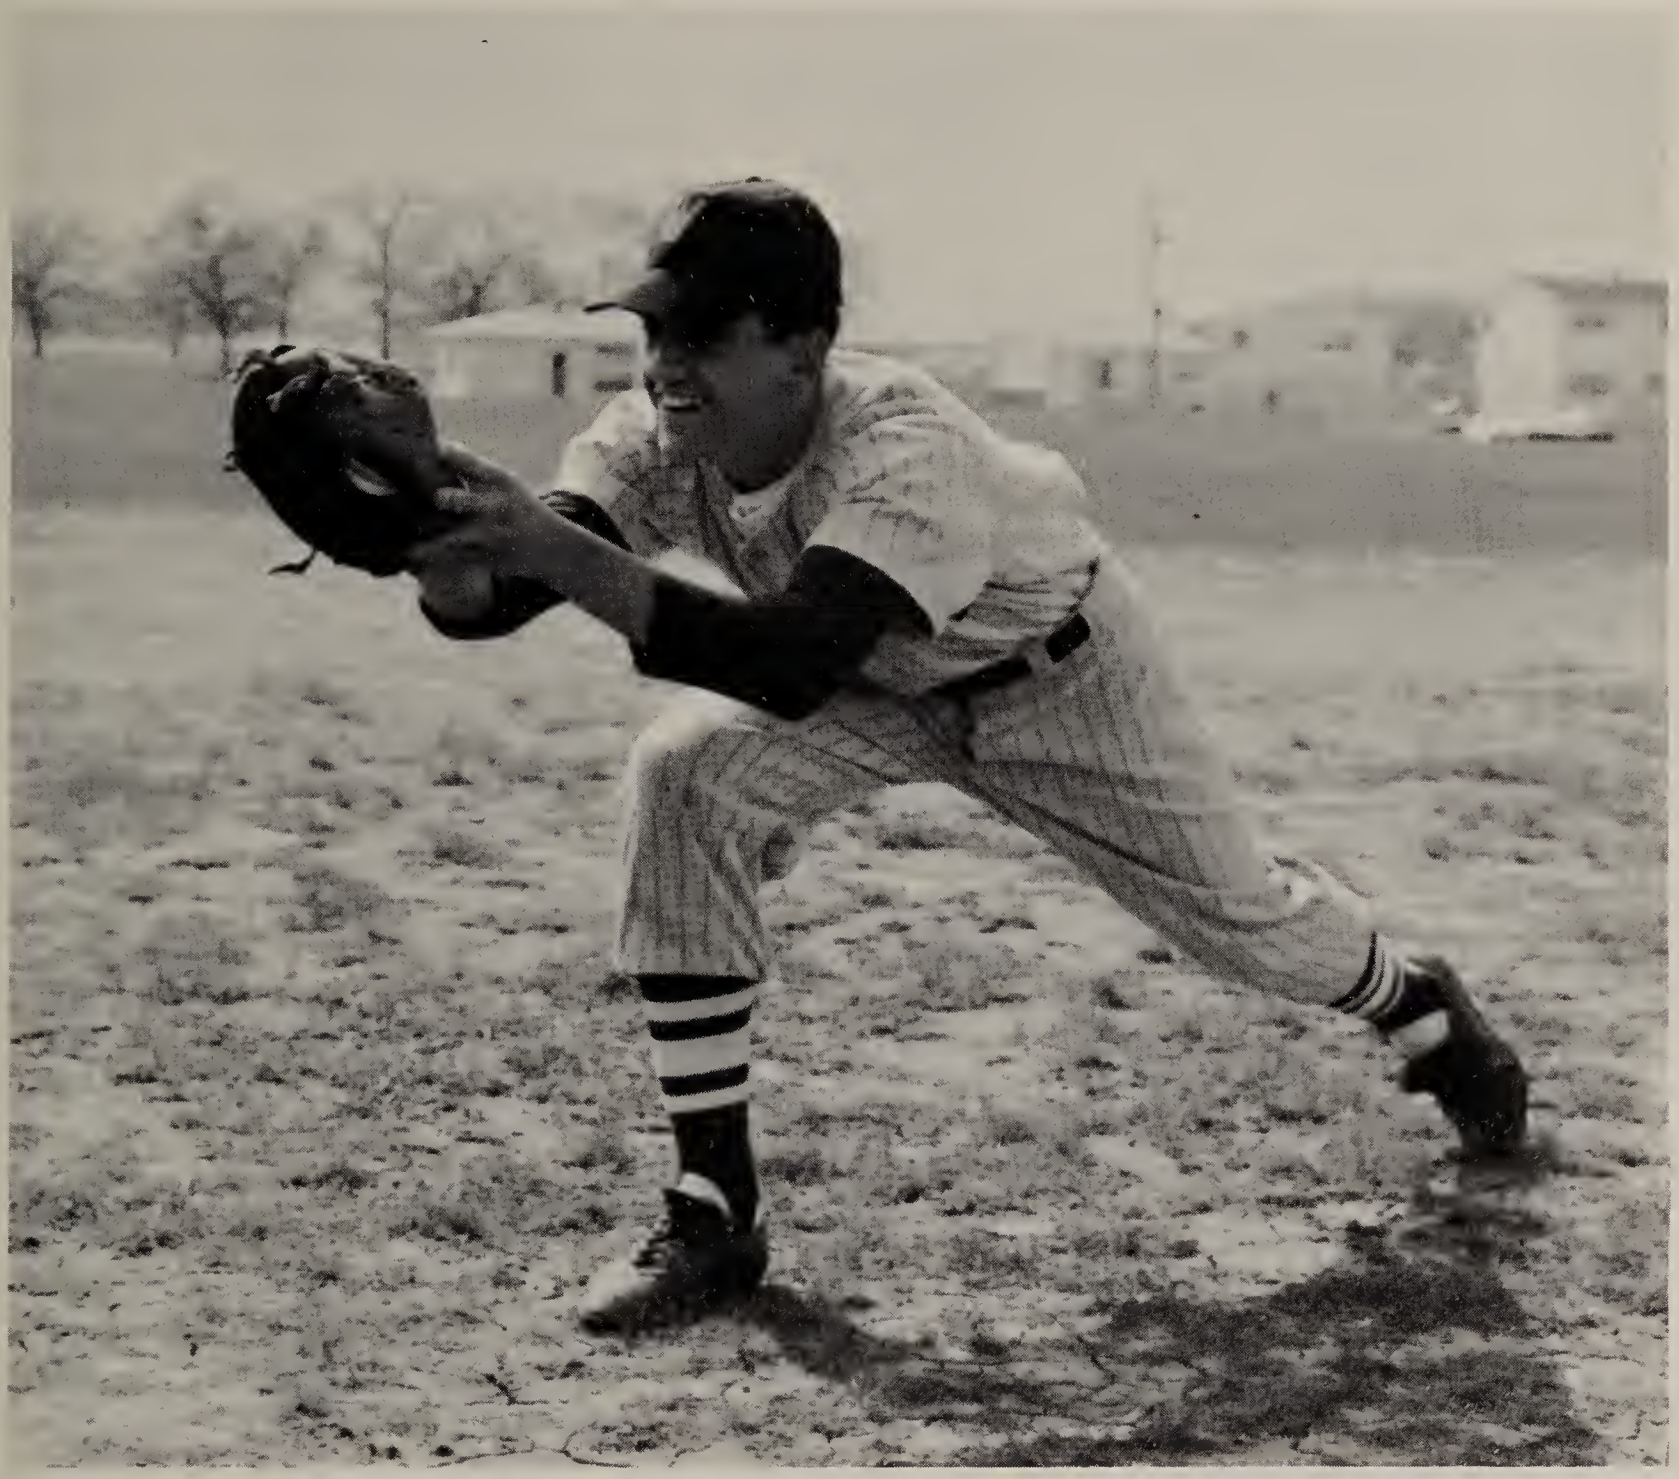
Sports



In a few small hours, a handful of us takes on the name Bulldogs and the identity of the entire student body. The actions of each athlete affect our team's performance and finally our school's prestige. We have learned to adopt their concentrated enthusiasm and expand it into an all inclusive spirit; we learn sportsmanship... and we have come to understand that our school's reputation rests on all of our shoulders.

Track

Track is a sport that includes within its boundaries the varied interests of many athletes. Naturally, the emphasis is on running, but this is modified into such events as high and low hurdles, distance running, sprints, relays, broad jump and high jump. Other events are even more diverse such as the shot put, discus, and pole vault. A popular spring sport, Track holds something for almost anyone interested in joining an athletic team.

The position of head coach for our track squad this season was filled by Mr. T. Gallivan. Assistant coach was Mr. Haley.

Nowhere is hard, fast-moving competition displayed more unmistakably than at a wrestling meet. At these meets our varsity wrestlers show more than strength and endurance. Under the coaching of Mr. Falk, and through much hard work and self-discipline, the squad gains skill--the ability to out-think and out-maneuver their opponents.

Despite the tragic and untimely loss of Joel Holmes, early in the season, a skilled wrestler as well as a good friend, the squad held their own this year with two conference champs, Ron Rold at 127 lbs. and Dave Sims at 138 lbs. At the Mundelein Tournament, the Wauconda grapplers took a first in one weight class and a second in another. Three individual champs also came out of the Barrington District Tournament. They were Dennis Boehmer at 103 lbs., Ron Rold at 127 lbs., and Dave Sims at 138 lbs.

The frosh-soph wrestling squad was coached by Mr. Kapheim during the '65-'66 season.

Those who have attended meets and seen our matmen in action can readily understand the growing popularity of this fast moving sport.

Classmen

Our Freshman year is filled with adjustments. As Sophomores, we experience the rising feeling of togetherness as we become more familiar with classmates and teachers. Our thoughts and deeds as Juniors are aimed at the future. These years of striving let us come to realize that "we belong" at Wauconda High School.
